Date

on the Application. We also checked PAIR and were surprised to find mailing of a non-final Rejection entered as of March 6, 2006. This firm has not received the March 6, 2006 non-final Rejection. We maintain very careful mail-receipt systems at this firm and we are also on the best of terms with our diligent, cordial postman. If the non-final Rejection comes back to PTO, we will appreciate knowing when and with what post office notations thereon. We will also appreciate the deadline for Appeal being extended to and including **July 25, 2006** to compensate for any mailing or post office failure hereon.

Courtesy, cooperation and skill of Examiner Rochelle BLACKMAN are acknowledged and appreciated.

Respectfully,
